I enjoyed the suspense present in A Faint Cold Fear much more than I did in Kisscut. Sara is enjoying an outing eating ice cream with her sister Tessa when she's called to a crime scene. Jeffrey is already there. A black college kid is found dead and the evidence points to a probable suicide although, Sara is not too sure about it. While Sara is talking to Jeffrey, the unthinkable happens, a young woman is attacked and stabbed close to the crime scene.

'A Faint Cold Fear' continues the storyline she previously started with medical examiner Sara Linton. The writing is raw, the story complex, and the suspense non-stop. Slaughter hasn't developed a smooth style of storytelling. The reader will need to overlook the roughness but the story is strong enough to carry the reader past the problem.
