[The Monk Who Sold His Ferrari: A Fable About Fulfilling ...](#)

The monk who sold his Ferrari, is a misleading title. The man who sold his Ferrari and became a monk, would have been more accurate. The idea of a monk driving a Ferrari is somewhat thought provoking and made me smile. The book itself was a merger between fiction and instruction on techniques to perfect your life experience. From a fiction point of view, it too often told rather than showed. It's an easy to read book (I read it in an afternoon) and the structure works well making it easy.
