The Journal of Veterinary Internal Medicine

The mission of the Journal of Veterinary Internal Medicine is to advance veterinary medical knowledge and improve the lives of animals by publication of authoritative scientific articles of animal diseases. JVIM provides an international forum for communication and discussion of the latest developments in large and small animal internal medicine, cardiology, neurology, and oncology.

Learn About Being an Internal Medicine Veterinary Specialist

Internal medicine specialists in private practice may work at small animal veterinary clinics, large animal veterinary clinics, or emergency clinics. Specialists in internal medicine may also find employment with other organizations such as veterinary colleges, research labs, and commercial pharmaceutical companies.
